## CHRISHALL COMMUNITY LIBRARY

I am pleased to say that we continue to see new faces in the library. Not as many as we would like, but it is rewarding for our volunteers who give up their time to "man" the library. A big thank you to all of them.

We recently moved our non-fiction section into the stock room to enable us to move more novels from the stock into the lending library.

It entailed moving a great number of books, and we are grateful for the help we received from several " friends of the library". In future if anyone would like to browse the non-fiction please ask the volunteer.

Our hours of opening are about to change slightly to what we think will be a little more convenient for our borrowers. Here are our new times. The changes will be made when the clocks are changed to British Summer Time (31st March).

Monday	9 - 10 am	
Tuesday	2.30 - 4.30 pm	
Wednesday	10 - 12 noon and 2.30 - 4.30 pm (changed from 9 - 12 noon)	
Thursday	2.30 - 4.30 pm	
Friday	2.30 - 4.30 pm (changed from morning to afternoon)	
Saturday	10 - 12 noon and 2 - 4 pm (additional time in the afternoon)	
1st Sunday in the month	from 2 - 5 pm	Starting in April

We aim to be hassle free - no charge, no time limit for the return of borrowed books, no forms, no fines. Why not have a stroll through our lovely village and sample what we have to offer - right on your doorstep. We would love to see you and you would be very welcome.

Best wishes to all

Barbara Smith (Lead Volunteer.)

## REFLEXOLOGY IN CHRISHALL

I was asked by the Editor and Emmah Duffus to try out her new Reflexology treatment at Moonleaf Reflexology at Broad Green Farm, Broad Green, Chrishall. As I am new to this kind of treatment I agreed to report on the experience.

Emmah has a lovely treatment room in the upstairs of the barn in her garden which is very warm (even in February) and welcoming. Emmah explained why she had decided to train as a reflexologist, having used a reflexologist successfully for herself and her family in the past. She is currently a fully insured student member of the Association of Reflexologists studying at the London School of Reflexology. She is currently offering reduced rates on her treatments (between 45 – 60 mins) until she qualifies in June 2019.

I asked Emmah what conditions Reflexology can help with, and some of the many examples she gave me were: Migraines, Asthma, Insomnia, Stress and Anxiety. As well as helping serious medical conditions such as Parkinsons and MS.

Reflexology restores the body's balance by stimulating known pressure points on the feet or hands which connect though the nervous system, allowing the body to self-heal. Treatment can help conditions for all ages from children to the elderly.

The origins of reflexology can be traced way back in time; there seem to be references to working on feet, hands and ears in the time of the ancient Egyptians, as depicted on a drawing in a Physician's tomb.

Emmah took a note of my medical history in order to make a tailor-made programme. The aim is to offer good sensible advice to a relaxed patient. At the end of each treatment Emmah runs through any findings and explains what may be needed for any future appointments.

The 35 minute treatment time just flew by with each foot being manipulated separately and at the end of the session I felt very calm and relaxed. I would recommend Emmah to anyone who feels that Reflexology might benefit them.

Check out Emmah's website for more information:

## **LETTERS TO THE EDITOR**

From: Cllr. Guy Rackham, 11 February 2019

Dear Sir

### **The Brand Pavilion**

Before I go any further, I need to list the interests that are influencing my thinking about the future of The Brand Pavilion. I am the Chairman of the Village Hall Committee, a Parish Councillor and a local tax payer. I became a councillor in January and since then I have attended a couple of meetings when a substantial amount of time has been taken up by a proposal that CPC approve the spending of £2,600 on the insulation of the pavilion.

At the February meeting, letters were read out from current users of the building explaining the need to improve the building. The current need is seen as insulation. This will no doubt lead to electrical works, heating and improved lighting. I am against the spending of public money on the building but I am keen to get some feedback from parishioners to see if my view has any support.

When CPC acquired Jigneys meadow it was decided that an effort should be made to make better use of the pavilion. Grants and donations were raised which enabled the building to accommodate the village museum, the book exchange, an office for the parish clerk and a small meeting room.

The building was and still is a cricket pavilion, built for use during the summer, primarily for 8 to 10 weekends a year. No budget was put in

place to improve the building beyond this point and it seems to me that to do so using public funds can't be justified. The use of the pavilion is free and there is no plan to charge what are termed start up users in the near future. The running costs are paid by CPC.

If parishioners see a justification for spending more money on the building, then grant funding should be used. After all, we do have a village hall. The village hall committee is investigating the possibility of expanding the hall to add a parish office and additional rooms. This would be funded by grants.

As I said previously, I am concerned to know what you think and I ask that if you have an opinion, you drop me an email. I want to find out if I am swimming against the tide!

My email address is; [Rackhamguy@yahoo.com](mailto:Rackhamguy@yahoo.com)

From: Mr.Derek Ailes, 20 February 2019

Dear Sir

### **Chrishall Village Library**

I had no need to look any further than Chrishall!

I have been looking to borrow a book titled Chutzpah, which was published a couple of years ago but only on a short print run, but without success.

On the off-chance I asked our Chrishall Library about my search and ... abracadabra, a couple of weeks later there it was! Just like magic they found a single copy somewhere in one of the Essex libraries.

Our village library is amazing! This book was delivered to my door, I have just read it and now all I have to do is walk to the pavilion on Jigneys Meadow on any day of the week to return it.

Thank you to Barbara and all of her team. An amazing village facility. We should all use it more!

## **ROYSTON AND DISTRICT COMMUNITY TRANSPORT**

Royston & District Community Transport (RDCT) needs more drivers from Chrishall. Volunteer drivers use their own cars for transport of eligible persons for social and health reasons. The travel fee is 50p per mile (minimum charge £4.50 for up to 9 miles).

### **Parish Councillors:**

Chairman: David Thomas

Councillors: Stephen Foote, Jane Holloway, John Kay, Sheena Lashko, Ian Pitfield, Guy Rackham, Tracey Slade

### **Uttlesford District Councillors:**

Robert Chambers and Julie Redfern

**Essex County Councillor:** John Moran

### **Parish Council meetings for 2019:**

First Tuesday of the month in the Village Hall

5<sup>th</sup> March, 2<sup>nd</sup> April, 14<sup>th</sup> May (APM & APCM), 4<sup>th</sup> June, 2<sup>nd</sup> July, 3<sup>rd</sup> September, 1<sup>st</sup> October, 5<sup>th</sup> November.

### **Parish Council vacancy:**

Chrishall Parish Council would like to record its thanks to Steven Parish who was a very hard working and 'hands on' Councillor. Steven worked with the school on ecology projects and did many tasks around the village such as clearing the ponds and cleaning the bus shelter and signs – another 'unsung hero' which the village should be proud of.

The Parish Council now has a vacancy. It has developed a policy and application form for those who wish to apply. Can you please contact the Clerk, or ask a Councillor if you require the forms or you need more information on the role.

The vacancy left by Derek Ailes has been filled by Guy Rackham, a former Councillor and Chairman of the Parish Council. It is hoped a good working relationship can be formed going forward.

### **Parish & District Council Elections: 2<sup>nd</sup> May 2019:**

Please do consider standing to be a Parish Councillor. The closing date for completed nomination papers is 4pm on the 3<sup>rd</sup> April which must be delivered in person to UDC. No nominations will be accepted after this time.

### **Dog waste:**

Dog waste continues to be a problem so please do pick up.

**Bottles in Trees:**

The Clerk has flagged this strange behaviour with the Police and UDC. It has spread to Elmdon. This is also littering and again carries a fine.

**Defibrillator:**

The defibrillator is in a cabinet on the outside of the village hall.

**Trees, Hedges and Ditches:**

Can you please make sure that trees and hedges are not cut until after the bird nesting season which commenced 1<sup>st</sup> March and finishes at the end of August.

**Bonfires:**

Please do consider your neighbours and restrict lighting bonfires to early evening.

**Green Waste Collection:**

There is a monthly green waste collection which alternates between Pinkeneys and the Red Cow. The dates will be posted to the website and the notice boards once the PC gets them for 2019 from UDC.

Uttlesford District Council also provide a weekly green waste collection for a fee of £40 per year which reduces the need for most bonfires.

## **CHRISHALL WI**

Chrishall WI meets on the 3<sup>rd</sup> Wednesday of the month in the South Hall at Crawley End.

This January our speaker was Ludovic Potts – he spoke about Furniture Restoration, Care and Repair, telling us that most furniture needed to be cleaned with a damp cloth, and some very useful tips to keep wood looking good for longer.

Our next speaker was Mrs. Green; she gave us an illustrated talk on Dashing Away with the Smoothing Iron, or laundry through the ages, and how it was cleaned with wood ash and lime. The woollen outer garments were dabbed with wine, and ermine was cleaned using flour and water; made into a paste and when dry, peeled off and combed out.

March 20<sup>th</sup> is our Annual Meeting

On April 17<sup>th</sup> the speaker is The Reverend Canon Chris Bishop. His talk is on 'Short songs and Tall Stories.'

One of our members has won the bursary this month to use at Denman College, which belongs to WI – and includes a Freemasons tour and a lunch trip to London.

At the Annual Council Meeting, the guest speaker is Baroness Floella Benjamin. She became a household name with 'Playschool' and 'Play Away'. She has written over 30 books and in 2016 her book 'Coming to England' was chosen at the Guardian's Children's book of the Year.

There have been many visits to places of interest, 'The Gnome' being one of them. And WI darts matches are starting this Monday.

Chrishall WI are always looking for new members to join us so do come along!

## **CHRISHALL CRICKET CLUB 2019**

Over 100 years of cricket has been played at Jigney's meadow.

As the daylight hours start to lengthen and new green buds start to appear on the trees and hedges around the meadow, so our thoughts turn to days seeing once again cricket in Chrishall.

Cricket starts in May and continues most of the summer with friendlies, limited over matches and some fun inter-village/pub matches. Last season we signed off with a great fun-raising day when the cricket team played the friends of Chrishall school.

Once again, if interested parties, whatever your age and or/perceived ability, fancy supporting the club on the odd Sunday you will be most welcome. You might find that you have a hidden talent just waiting to blossom. We particularly encourage and welcome dad's and sons to play. All ages are accepted as the playing is the key motivation to Sunday cricket.

Please come along to a net session one evening. These are planned to start in April. (We will put a sign out on the High Street when and what night nets are being organised).

See you soon, Lucas Ling (4 High Street).
