

A planning application[/b] for affordable homes was submitted to Uttlesford District Council during June 2013 and [b]was approved.[/b]

The application provides for four affordable houses and one private house to be built on Palmers Lane in Chrishall. A condition of the application is that ownership of Jigneys meadow will be transferred to the village.

Public consultation took place during 2012 and the application was fully supported by Chrishall Parish Council.

Building work for the new dwellings was completed on 30th March 2017 with the first occupants moving in on 31st March 2018

The Parish Council will continue to work with the school to enhance wildlife habitat. The Parish Council will also plant suitable native trees and shrubs as food and shelter resources for wildlife.
